DETAILED ACTION

Allowable Subject Matter

Claims 5-13, 29, 33 and 35 are allowed.

The following is a statement of reasons for the indication of allowable subject matter: The reference (s) of record do not teach or suggest, either singularly or in combination at least the limitation of "an undoped region, laterally disposed above the substrate; a waveguide laterally disposed above the undoped region for passing light therethrough; a grating with an effective index positioned between the substrate and the undoped region for reflecting one or more wavelengths of said light; an upper region, of a second doping type, laterally disposed above the waveguide region; an absorption section positioned above said upper region for absorbing said reflected wavelengths and generating a photocurrent from said absorbed wavelengths" for claim 5.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
